

Born as a natural leader, Brown perfected the ability to get his point across in as little time as possible and still maintain context that was regarded as "true genius". He had the natural ability to motivate those around him with his focus and drive. Although he always had his heart and his mind focused on his goals, he refused to give in to the negativity of his work and kept the working environment free from strain and strife.

William Brown had strong feelings and was dedicated to "Ending the Political Pollution in Ohio". It was through this issue that Brown was able to embrace the environment, soon after the first Earth Day was held in 1970. His career was colorful, successful and he was known for having strong views and the ability to back them up. Brown was a talented agent for public service. He selflessly gave of his time and support to many issues and was a strong supporter of team work.

It is with a heavy heart that I ask my distinguished colleagues to join me in remembering William J. Brown. His memory will truly endure in the hearts of all that he was able to touch.

HONORING MICHAEL F. MARKO

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 27, 2000

Mrs. CAPPS. Mr. Speaker, today I rise to bring to the attention of my colleagues a fire-fighting legend, Michael F. Marko, who was honored by family and friends on January 4 as he celebrated his retirement as assistant fire chief for the 30th Space Wing that is located in my congressional district.

Michael Marko faithfully served the 30th Space Wing for 33 years. He participated in and commanded the safe mitigation of more than 12,800 fire emergencies during his years of service. Michael has also been an integral member of the Vandenberg Professional Firefighters Local F-116 since 1971 and has been instrumental in working for the rights union members now enjoy. In honor of his many years of service to the union, Michael was awarded by his colleagues a lifetime membership. Through his actions, he saved numerous lives and billions of dollars in Defense Department assets. Michael also personally supervised the launch of countless Delta, Titan, and Peacekeeping rockets, enhancing America's national security. We have Michael Marko to thank for ensuring a permanent American presence in space that will continue to grow in this new century.

Mr. Speaker, as impressive as any complete accounting of Michael's accomplishments would be, it would not do justice to the long lasting and immeasurable contributions he has made to the 30th Space Wing. I am truly honored to represent Mr. Marko in Washington. I send my most heartfelt appreciation on behalf of the 30th Space Wing, the community of Vandenberg, and the people of Santa Barbara County for his hard work and dedicated service. I know that Michael's leadership will be missed by the 30th Space Wing of Santa Barbara County.

EXTENSIONS OF REMARKS

TRIBUTE TO CHARLES MECHEM, JR., A GREAT LIVING CIN-CINNATIAN

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 27, 2000

Mr. PORTMAN. Mr. Speaker, I rise today to pay tribute to Charles Mechem, Jr., a dear friend and community leader who will be honored as a Great Living Cincinnati on February 4, 2000, by the Greater Cincinnati Chamber of Commerce. He was selected for this honor because of his outstanding business accomplishments, awareness of the needs of others, community service, civic accomplishments and contributions that have increased the quality of life in Cincinnati and Southwest Ohio.

Mr. Mechem grew up in Nelsonville, Ohio, and currently lives in Clifton with his wife, Marilyn. They have three children. A graduate of Miami University and Yale Law School, Mr. Mechem has had a most distinguished career, bringing business and entertainment to the Greater Cincinnati area. Mr. Mechem likes to say he has enjoyed four careers: as a partner at Taft, Stettinius & Hollister; as CEO of Taft Broadcasting; as commissioner of the Ladies Professional Golf Association; and in his own words, "life after that"—which includes serving as Chairman of the Board at Convergys and as the personal business adviser to golf legend Arnold Palmer.

For more than 40 years, Mr. Mechem has focused on bringing entertainment opportunities to the Cincinnati area. As he puts it, he "was motivated . . . to do things that made this community a fun place to live in." Mr. Mechem was instrumental in bringing the Cincinnati Bengals franchise to town; spearheading the vision and construction of Kings Island; and helping to provide the Cincinnati Symphony Orchestra a new home at Riverbend by donating the site adjacent to Coney Island. Nationally, Mr. Mechem worked tirelessly for five years with the PGA to lead a national resurgence of interest in the game.

In the business community, Mr. Mechem served Cincinnati as President of the Greater Cincinnati Chamber of Commerce in 1977 and Co-Chaired the Chamber's Blue Chip Campaign from 1979-86. His other leadership roles include: National Chairman, Miami University Goals for Enrichment Campaign; President, Family Service; Co-Chair, Cincinnati Business Committee; and Founder/President of the Greater Cincinnati Sports & Events Commission. In addition to being the Chairman of the Board at Convergys, Mr. Mechem also serves on the Board of Directors at Mead Corp., Ohio National Life Insurance, Arnold Palmer Golf Co., The J.M. Smucker Co. and Myers Y. Cooper Company.

All of us in Cincinnati are grateful to him for his full devotion and service to community.

REGARDING ALBERTO GALVAN

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 27, 2000

Mr. ORTIZ. Mr. Speaker, I rise to pay tribute to the lifetime of service of Alberto Galvan, the district manager for the Brownsville-Harlingen area for the Social Security Administration (SSA). Alberto has served the Federal Government for 35 years, retiring just last month.

A son of South Texas, born in Harlingen, Alberto was in the United States Air Force (USAF) prior to his service to the Federal Government. In the Air Force, he attended USAF Russian Language School and served in electronic intelligence during his duty in Japan. That would have been impressive duty in those days, our forward listening post to spy on the communists in the Soviet Union.

This man who loves his country began working for the Social Security Administration in 1970, where he has worked ever since, winning the SSA Commissioner's Citation, the SSA Regional Commissioner's Citation (twice), and the Outstanding Officer Award (four times).

Aside from his many awards, Mr. Galvan has a great deal of contact with my Brownsville district office. As all of you know, the success of our district offices rises and falls on the relationship they have with individuals within the SSA. Thanks to Alberto Galvan, and the wonderful people in my district office, that relationship is strong indeed. The SSA manages the nation's social insurance program, consisting of retirement, survivors, and disability insurance programs; so, the ties that bind our interests are quite strong.

I want to thank Alberto today for being a really nice man and always being responsive to our inquiries. He takes calls from my office himself and has been largely responsible for training my staff members who deal with Social Security issues. He oversees all of Cameron and Willacy counties in the lower Rio Grande Valley but is primarily responsible for the Brownsville area up to Rancho Viejo, Texas.

Since he left the Air Force, Alberto has found another way to put the Russian he learned there to good use. Today, he is the only Russian translator in the Dallas Region of the SSA and is often sent documents to translate, usually birth certificates.

I ask my colleagues to join me today in commending this outstanding patriot who has made a career serving our great country, first in uniform, and for the last 30 years, administering the Federal social insurance program in South Texas.
